Sponsorship Opportunities Pike County YMCA

The Pike County YMCA Fall Soccer Leagues are about to kick off and we are actively seeking sponsors. We strive to support the members of our community but without support *from* our community, those efforts would not be possible.

In 2016, Fall Soccer sponsorship dollars allowed us to provide uniforms for over 230 children, improve their fields, and purchase new soccer balls, goals and other equipment for our 2-13 year old participants!

By choosing to be a sponsor, beyond showing support for your YMCA, you're also exposing your name and/or business to all of our participants, their families, YMCA members, and the 20,000+ vehicles passing the Pike Co. YMCA, each day!
